

## CERTIFICATE OF ANALYSIS

Product: **BioEquin FH, emulsie injectabilă pentru cai**

Batch No.: **315929A**

Expiry: **02/2024**

Date of production: **5.9.2022**

### Results of analysis:

| Tests                                                                                                                                                                                                                                                                             | Release limits                                                  | Shelf-life limits | Results                    |
