

## CERTIFICATE OF ANALYSIS

### Mineral Block 5 KG

Manufacturing Date: 01.06.2022

Expiration Date: 01.06.2025

Batch no: 103

### Mineral Block 10 KG

Manufacturing Date: 01.02.2023

Expiration Date: 01.02.2026

Batch no: 102

|                                                                                                    |          |
|----------------------------------------------------------------------------------------------------|----------|
| <b>Composition:</b> (11.4.1) Sodium Chloride, (11.1.1) Calcium Carbonate, (11.2.1) Magnesium Oxide |          |
| <b>Quantity (% , mg/kg (each kg)</b>                                                               |          |
| <b>Analytical Constituents</b>                                                                     |          |
| Sodium (Na)                                                                                        | % 37,79  |
| Calcium (Ca)                                                                                       | % 1,96   |
| Magnesium (Mg)                                                                                     | % 0,32   |
| Phosphorus(P)                                                                                      | % 0      |
| <b>Nutritional additives / Compound of trace elements</b>                                          |          |
| Iron (Fe) (E1) (as Ferric oxide)                                                                   | 1.050 mg |
| Zinc (Zn) (3b603) (as Zinc Oxide)                                                                  | 230 mg   |
| Copper (Cu) (3b405) (as Cupric sulphate, pentahydrate)                                             | 175 mg   |
| Manganese (Mn) (3b502) (as Manganese (II) oxide)                                                   | 152 mg   |
| Cobalt (Co) (3b305) (as Cobalt(II) sulphate, heptahydrate)                                         | 15 mg    |
| Iodine (I) (3b202) (as Calcium iodate, anhydrous)                                                  | 10 mg    |
| Selenium (Se) (E8) (as Sodium selenite)                                                            | 5 mg     |
