CERTIFICATE OF ANALYSIS

Product Name: **IMMUNOCAN**
Product Identification Code: **U18-0810-19**
LOT No.: 0322U18022
Manufacture Date: 17/03/2022
Expire Date: 17/03/2024

Original

Chemical and Physical operating figures:

Parameters	Specification	Result
Physical Details		
Color	Light Brown-Brown	conform
Form	Tablet	conform
Odor	Characteristic	conform
Analytical Constituents		
Crude Proteins	≤10,0%	conform
Crude Fats	≤ 3,0%	conform
Crude Fiber	≤42,0%	conform
Crude Ash	≤20,0%	conform
Microbiological		
Salmonella spp.	Negative	conform
Clostridium perfringens	Negative	conform
Contaminants		
Mercury(Hg)	< 0,3	0,010
Lead(Pb)	<10,0	0,378
Cadmium(Cd)	< 0,5	0,031
Arsenic(As)	< 4,0	0,199

This LOT was analysed and released by our authorized Quality Control Department (Scientific Veterinary Institute) and was found to meet the specifications as given above.
Product manufactured applying an HACCP system. By an independent external auditor, documented by a report, it was verified that this HACCP system fulfills the requirements of the following regulation of the European Union (EC): Codex Alimentarius CAC/RCP 1-1969, REV.4 (2003).

This certificate has been created electronically and is valid without signature.

Statement of the above data does not release the buyer from this legal obligation to examine the product on receipt.
