## CERTIFICATE OF ANALYSIS

Product Name: **IMMUNOCAN**  
Product Identification Code: **U18-0810-19**  
LOT No.: **0622U18048**  
Manufacture Date: **20/06/2022**  
Expire Date: **20/06/2024**

**Original**

### Chemical and Physical operating figures:

| Parameters                     | Specification     | Result  |
|--------------------------------|-------------------|---------|
| <b>Physical Details</b>        |                   |         |
| Color                          | Light Brown-Brown | conform |
| Form                           | Tablet            | conform |
| Odor                           | Characteristic    | conform |
| <b>Analytical Constituents</b> |                   |         |
| Crude Proteins                 | ≤10,0%            | conform |
| Crude Fats                     | ≤ 3,0%            | conform |
| Crude Fiber                    | ≤42,0%            | conform |
| Crude Ash                      | ≤20,0%            | conform |
| <b>Microbiological</b>         |                   |         |
| Salmonella spp.                | Negative          | conform |
| Clostridium perfringens        | Negative          | conform |
| <b>Contaminants</b>            |                   |         |
| Mercury(Hg)                    | < 0,3             | 0,015   |
| Lead(Pb)                       | <10,0             | 0,408   |
| Cadmium(Cd)                    | < 0,5             | 0,027   |
| Arsenic(As)                    | < 4,0             | 0,214   |

This LOT was analysed and released by our authorized Quality Control Department (Scientific Veterinary Institute) and was found to meet the specifications as given above.

Product manufactured applying an HACCP system. By an independent external auditor, documented by a report, it was verified that this HACCP system fulfills the requirements of the following regulation of the European Union(EC): Codex Alimentarius CAC/RCP 1-1969, REV.4 (2003).

This certificate has been created electronically and is valid without signature.

Statement of the above data does not release the buyer from this legal obligation to examine the product on receipt.
