Grain Free Veterinary Diets

VetSolution

OUR DIETS ARE MADE IN ITALY
AND GRAIN FREE FORMULA!

Monge VetSolution is a line of dietetic complete pet food for dogs and cats, it's enhanced by a new generation of prebiotics (Xylo-oligosaccharides). The line of dry diets contains juice melon concentrate, a natural source of primary antioxidants to neutralized free radicals, meanwhile the wet line diets contain free-nucleotides to support the immune system. Monge VetSolution combines those important concepts to ensure the maximum efficiency of each dietetic feed.
